

## **NETTELLER PHISHING ALERT:**

Reports of phishing emails are being sent from what appears to be a Nettleter email address customer\_service@cm.netteller.com with the subject line of NetTeller Watch Notice. These are “Phishing emails” trying to get customers to click on the embedded NetTeller access link. These emails are not coming from NetTeller. Should you receive an email, DO NOT click on the link. It is recommended to permanently delete the email.
