

PEOPLES CHOICE

1-800-USE-MINT
(1-800-873-6468)

Peoples Choice is The Peoples Bank's **24/7 telephone banking system**. Through this service you can obtain your checking or savings account balances, verify account history, transfer funds, make loan payments, check on rates and more. Peoples Choice is easy-to-use and a convenient choice for financial management- hence the name!

Important Notice:

The first time you call in and try to access account services (balances, account history, etc.), you'll be asked for your Account Number, Social Security Number or Tax ID Number, as well as your Date of Birth (ex: 04/13/1896). This is in order to verify your identity and establish a Personal Identification Number (PIN). Your PIN is 4-digits that you must have to be able to make inquiries and transactions on your account(s).

Customers who used a previous version of Peoples Choice and already have a PIN, will need to follow the verification steps above and re-establish themselves on the enhanced system.

Although we do not recommend writing your information down, remember if you do, to keep all your account information safe and secure.
